

# Cycle For A Change!

**Stop pushing paper and start pushing pedals!!**

**Dusk July 5<sup>th</sup> – dusk July 8<sup>th</sup> (tentative time)**

**The White House Streets, Washington, DC**

**72 hour Marathon Cycle to Stop Climate Change**

Go Fossil Fuel Free while Bush and the G-8 Talk....

***Tell them to Pedal Clean Energy, not fossil fuels!***

***Shift Gears and make a stand for Renewable Energy!***

Bicycle around the White House to demand Bush shift gears on Global Warming and take decisive action while the world's wealthiest countries meet at the G-8 Summit in Scotland. We will ride to demand:

- Action to Stop Global Warming! End our Petrol Addiction!
- The USA join the International Community & Support the Kyoto Protocols.
- Stop drilling and spilling! Stop the cycle of pollution and waste.
- **SUPPORT RESPONSIBLE USE OF RESOURCES!** Fund Wind, Solar and renewable energy solutions.

We will be cycling around the White House 24 hours a day to send this message to the G8 summit: We Want Clean Energy! The American people support the Kyoto Protocols!

*Calling all Bicyclists and wanna-bees: Join the CLIMATE CYCLE and demand a change!*

Here is how:

- **SIGN UP** for as many 2-hour riding blocks as you can. We're riding 24 hours a day for 3 days from Tuesday night, July 5<sup>th</sup> through Friday Night, July 8<sup>th</sup>!
- **BRING** your bike; bring extras if you have them or use one of ours on site!
- **RECRUIT** your friends, neighbors, kids, school or community group to join.
- **STAFF** our support tent from July 5-8th
- **DONATE** food, water, medical kits, t-shirts, unwanted bikes or money!!
- Help us get the word out! Pass this on far and wide.
- Volunteer to help us make a banner or t-shirts or bike pennants!
